WASHINGTON, Sept. 12.-The Senators pulled the Red Stockings down a peg in the race by taking two games to-day. In the first Evans had them at his mercy. In the second game the Senators won out in the ninth inning. Freeman and McGann were put out of the game for roughly handling the umpire. Attendance, 2,300. Scores:

Only eight games out of the series re-mained unplayed. Seven games won and three lost is the record of the Hoosiers in games decided in the ninth inning. There were forty-two of these in the season. During the Western League season fortysix shut-outs were given and taken, of which Indianapolis had the better of the game in six and got the short end of the

bargain in but two. Baseball Notes. Brooklyn is beginning to cinch first place Cincinnati is playing in poor luck. It begins to look as if the Quakers' bat-ting would keep them in second position. Kahoe played with Cincinnati yesterday.

When Catcher Peitz relieved Pitcher Taylor in the first game the Indianapolis backstop took Pietz's place and made a showing by retiring two Senators. In the second game Kahoe caught for Hawley, scored a run, lined out a three-base hit, had three put-outs and one assist to his credit and with

Weekly Crop Report. The following is the weekly Indiana Crop

Bureau report, issued yesterday: "Very warm, dry weather continued until Thursday, when it was followed by cooler weather and numerous, but badly distributed, local rains. Corn matured very rapidly, and cutting progressed all week; a large and well-matured crop is in shock; late-planted corn dried prematurely, the rains may have improved it in some fields. A fair tobacco crop is nearly all cut and housed in good condition. Late potatoes are being dug, although dry weather was not favorable, the yield is considered good; buckwheat promises well; pickles and tomatoes yielded fairly well, although tomatoes routed in some field. toes rotted in some fields; grapes are abundant; apples, while many are falling off, still promise a fair yield, especially in the northern portion, where, in many orchards, the crop promises to be large. Clover hulling continues, in some fields the yield is not very good. Pasturage is brown and dry, and many farmers are now feeding their cattle. The dry weather stopped plowing for wheat, but in many localities,

especially in the northern portion, where good rains fell, wheat sowing has begun. Rye, sown early, is, possibly, perishing in Building Permits. Nancy A. TERRE HAUTE, Ind., Sept. 12.-Glorious weather and a large crowd to-day at the Terre Haute track greeted the first race of what is to be four days of sport. There was a strong northwest wind, which interfered with the horses on the back stretch, but otherwise the weather conditions were perfect. Results: 2.40 Trot: Erwin B. won the race in

NEW YORK, Sept. 12.-There was a big attendance at the Brooklyn Jockey Club track to-day, it being the opening of the fall season and the rich Junior Championship stakes for two-year-olds being on the card. When the betting began there was no question of the favorite, for nearly everybody wanted to back Mesmerist, so the Bromley pair was backed as if it was all over. Modrine, High Order and the Madden pair were the only other ones backed. The start was

prompt and good and Modrine was soon in front by a comfortable margin, with Mesmerist at the head of the bunch behind, none of them being out of it. Up the back stretch they flew and, although Mesmerist was going easily in second place, he was not picking up any of the distance that separated him from the leader. As they rounded the upper turn, however, he grad-ually cut down Modrine's lead and when the meantime High Order and Ildrim were very much in evidence, having come up from behind and at the last furlong a blanket would have covered them. Then High Order began to falter, but stuck at his work and finished gamely half a length behind the favorite and a neck in front of Ildrim, who, in turn, was a neck in front of Modrine. Imp was a hot favorite for the

First Special, even money being laid against her at post time, and she won easily. Wisconsin State Fair Races. MILWAUKEE, Wis., Sept. 12.-The state fair races, which began to-day, were attended by about 5,000 people. The weather was ideal and the track in excellent shape. The card was made up of two pacing events in the 2:22 and the 2:12 classes. It took five heats to settle the first race, which was won by Ovieda M., owned by H. B. Edwards, of Detroit, Mich. Tim Donovan gave Ovieda a hard run for first place and had he not broke in the fourth heat when nearing the wire at the finish would have won the race. White Hose captured the second event in three straight heats and Minnehaha was a close second

Star Pointer's Condition. CLEVELAND, O., Sept. 12 .- Driver D. J. McClary, with Star Pointer (1:59%), has

arrived in this city from his short Eastern campaign and will remain at the Glenville track for some time to come. Everything possible will done to get the horse into condition for the track again, but no one can give definite promise of when the horse will be able to step off another fast mile. "We are home for repairs," said McClary, "but are still in the ring. Yes, we had an uncomfortable trip. It seemed to me when he made the fast mile at Hartford as if the horse could break his record. The horse was certainly going well and if the start had not been made at New York I have no doubt that he would." It is said Pointer's legs are in the worst kind of condition and that it will take weeks of doctoring to get him in

any kind of condition.

NEW YORK, Sept. 12.-Former Senator John McCarty, of Brooklyn, says that there was no basis for the report that he had purchased the famous racing stallion Joe Patchen from Henry Haws, of Johnstown, Pa.
